

## God is the Greatest of All, the Real and the Possible

Scripture(s): Psalm 90; 1 Chronicles 29; Jeremiah 32;  
Colossians 1; 2 Peter 1; Isaiah 46

Today's truth is about God's greatness - God's power, abilities, and goodness are \_\_\_\_\_ what exists in any other being or even in any being we could imagine as possible.

Let us examine the testimony of God's people about Him:

Moses... Psalms 90:1-6

David... 1 Chronicles 29:10-16

Jeremiah... Jeremiah 32:17-20

Paul... Colossians 1:15-17

Peter... 2 Peter 1:2-4

1. God's power has given us everything we need to truly live and become like God in our \_\_\_\_\_. (3)
2. God has made the promise that we can be like Him through His great \_\_\_\_\_ and perfection. (3b-4)

What God has said about Himself... Isaiah 46:8-13

1. This is an example of God using sarcasm (read the whole chapter).
2. There is no other being that exists \_\_\_\_\_ God. (9)
3. God knows the \_\_\_\_\_. (10)
4. God decides what will happen and it \_\_\_\_\_. (10-13)

What have we seen that God has said?

I. God's omniscience (knowledge) is such that He knows all the vastness of knowledge the way we remember what has happened over the last several \_\_\_\_\_.

II. God's eternal nature is from eternity past to eternity \_\_\_\_\_. It makes our life seem so small, and it assures us that He can keep His \_\_\_\_\_ to us.

III. God's omnipotence (power) is so great that nothing exists with out His permission, declaration, and \_\_\_\_\_.

IV. God's omnipresence (presence) fills \_\_\_\_\_ of creation.

V. God's goodness extends farther and reaches \_\_\_\_\_ than we could ask or think.

What do we do?

1. Praise God because such a glorious One would \_\_\_\_\_ to know and bless you.
2. Let God's greatness and goodness make Him \_\_\_\_\_ to you.
3. Come and learn who God is by knowing \_\_\_\_\_.

Our challenge: Let who God is call to you to \_\_\_\_\_ and follow Him.
