

No Room for Judging

Judging others is a disease that we cannot see the symptoms of. It eats at us until our view of ourselves and God is distorted. Judging others is the second big thing that Paul addresses as he is talking about this wonderful gospel we have been given.

Scripture(s): Romans 2:1-8

Today's truth: Those who live amazed by God's love do not have a _____ to judge others.

I. The first reason that we must live by the grace we have been given is judgment condemns _____. Passing judgment ignores the fact that we _____ still struggle with sin.

John 4:28 — 30 28 So the woman left her waterpot, and went into the city and *said to the men, 29 "Come, see a man who told me all the things that I have done; this is not the Christ, is it?" 30 They went out of the city, and were coming to Him.

II. The second reasons that we must live by the grace we have been given is judgment spits on God's _____. Judging others demonstrates that we have _____ God's wonderful work in our lives.

III. The third reason that we must live by the grace we have been given is judgment misunderstands _____. Being _____ is the real ambition of righteousness.

What can I do?

1. Be honest about your own _____ struggle with sin.
 2. Think deeply and truly _____ in all that Jesus has done for you.
 3. Look at your own personal walk with God so that you do not have _____ to nitpick each other.
- Our challenge: Every day, choose _____ over judgment.
