

## Our Identity in Jesus

What makes a person righteous? Is it the rules they follow? Can anyone follow God's rules perfectly? Paul challenges Jewish believers in Rome to stop seeing themselves as better than their Gentile counterparts. Like them, those of us who have been in the church for very long must ask if we are still looking to Jesus to be our only righteousness or if we have started to believe our own righteousness makes us better than others.

Scripture(s): Romans 2:17-29
