

## The Righteousness of God

Righteousness is more than just doing the right thing. Righteousness is even more than doing the right thing for the right reason. It is even more than doing it all the time because that is our essential character. Real righteousness is all these things and then adds to them true goodness.

Scripture(s): Romans 3:21-26

Today's truth - God's righteousness is best understood as the outward expression of His constant \_\_\_\_\_.

I. The first way God has revealed His goodness to us is by making a \_\_\_\_\_ to Himself. We have a redemption that God Himself has provided that is open to \_\_\_\_\_.

---

---

---

II. The second way God has revealed His goodness to us is by giving His gift \_\_\_\_\_. God's gift of Jesus is not a response to our goodness but a glorious expression of \_\_\_\_\_.

---

---

---

III. The third way God has revealed His goodness to us is by publicly declaring the extent of His \_\_\_\_\_. God's love declares clearly that God is both righteous and supremely \_\_\_\_\_ to any who will listen.

---

---

---

What can we do?

1. Believe that God's gifts that come through knowing His Son are for \_\_\_\_\_.
2. Do not let feelings of \_\_\_\_\_ keep you from receiving God's good love.
3. Believe and then \_\_\_\_\_ to God's declaration of love.

---

---

---

Our challenge: Respond with \_\_\_\_\_ to the God who is so good to us.
