

Wants & Truth

When it comes to salvation, many struggle facing reality. Many run from salvation believing that they will be all right in the end. Many ignore the truths of Jesus in the vain hope that there will be a plan B. The child of God hears the call of Christ's truth. They don't just hear it for themselves. They hear its call to everyone.

Scripture(s): Romans 9:1-8

Remember this - The heart of the child of God _____ for the lost.

I. The first reality that those who love Jesus face is lost is _____ lost. The saved will go to _____ lengths to see those without Jesus come to Him.

II. The second reality that those who love Jesus face is those we love _____ can be lost. We must make no _____ for those who cannot truly confess Jesus.

III. The third reality that those who love Jesus face is outward _____ does not save. Our hearts cry out to know if those we love know Jesus because there is no _____ way than Jesus to be saved.

Acts 4:12 "And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved."

Our challenge: _____ like Jesus does for those who have yet to say yes to Him.

Look like Paul by...

1. Kindle your _____ for the lost.
 2. Plant seeds of the _____ with everyone you know.
 3. Encourage those around you to talk about their _____ with God.
